BASEL

CURATORIAL APPROACH
TOWARDS A COMMON ARCHITECTURE

COMMON ARCHITECTURE is the search for a common symbolic space defined through form.

COMMON ARCHITECTURE is Poor Architecture, in the words of Lina Bo Bardi:

“not in the sense of poverty, but in the sense of handicraft, expressing maximum communication and dignity through minor and humble means.”

COMMON PLACES
44 STRATEGIES FOR PUBLIC SPACE

New Geographies, Pedro Correa

Observation Towers, Ciro Miguel & Bruna Canepa

Case 05: Autonomous Squares - Containing commons

Case 13: Iconic Houses - Domestic architecture for all
