Incunabula Slovenica

Incunabule so prvotiski, izdani med letoma 1450 in 1500. Uvrščamo jih med nacionalne kulturne spomenike. V zbirki izpostavljamo najdragocenejše tiskano gradivo svetovnega in nacionalnega pomena, ki ga hranijo slovenske dediščinske ustanove. Ta najzgodnejša tiskana dela so nastala v različnih tiskarskih centrih renesančne Evrope.

- linking data and content -
- georeferencing -
- transcriptions and text editing -
- quizzes and online games -
- online classrooms -

Key factors of written cultural heritage today

Written cultural heritage in 2022

Digitisation of materials:

- online accessibility and reduced direct use of materials,
- protection and security of primary resources.

Permanent storage of online publications:

- online heritage archive,
- long term preservation in digital environment.

Moving towards 2030

(or what do we need to effectively manage the written cultural heritage in the 21st century on the national level?)

Strategic measures:

- common national infrastructure
- implementation of metadata and protocols for GLAM institutions (RDA/IIIF/EDM)
- long term preservation plan
