

**PRESENTATION OF IS 2011 INFORMATION STRAWBERRIES AND LEMONS
PRESENTATION OF CURRENT ACHIEVEMENTS AND LIFE WORK AWARDS**

Worst achievement in information society in 2010 – INFORMATION LEMON

Inventory of real estate

According to the Court of Auditors, every 7th property in the inventory includes false information on the ownership, 17 pieces of data prescribed by the law are missing, 5 pieces of data without any legal basis are present, and presumably not all the properties are surveyed.

Best achievement in information society in 2010 –
INFORMATION STRAWBERRY

Abolition of the self-service medical terminals

With the abolition of self-service terminals for the certification of health cards and the introduction of direct access to the data on health insurance, Slovenia introduced e-health.

**AWARD FOR CURRENT ACHIEVEMENTS
