

# AAAI Awards

AAAI 2012  
26<sup>th</sup> Conference  
Toronto

# AAAI Fellows

- **Murray S. Campbell**, IBM Watson Research Center, USA
- **Boi V. Faltings**, Swiss Federal Institute of Technology, Switzerland
- **Yolanda Gil**, USC/Information Sciences Institute, USA
- **Peter F. Patel-Schneider**, USA
- **Francesca Rossi**, Università degli Studi di Padova, Italy
- **Peter H. Stone**, The University of Texas at Austin, USA

# AAAI Senior Members

- **Adele Howe**, Colorado State University, USA
- **Edward P. Katz**, CMU Silicon Valley, USA
- **Kevin Knight**, USC ISI, USA
- **Barry O'Sullivan**, University College Cork, Ireland

# AAAI Classic Paper Award

Proceedings of Eleventh Conference  
AAAI 1993, Washington DC

*“Learning Interface Agents”*

Pattie Maes & Robyn Kozierok

*For highlighting directions and opportunities with harnessing machine learning and inference in automated personal assistance and human-computer interaction.*

# AAAI Classic Paper Award

## Honorable Mention

*“Arc-Consistency and Arc-Consistency Again”*

Christian Bessiere & Marie-Odile Cordier

*For contributions to the foundations of constraint programming, providing an influential optimal propagation algorithm.*

# AAAI Classic Paper Award

## Honorable Mention

*“Automatically Constructing a Dictionary for Information Extraction Tasks”*

Ellen Riloff

*For contributions to automated information extraction from text corpora leveraging natural language processing and structural analysis of news reports.*

# AAAI Distinguished Service Award

Anthony G. Cohn, University of Leeds

*For contributions to the discipline of artificial intelligence through sustained service in professional societies, conferences, journals, and funding agencies around the world.*
