

INCO International, Diversity and implementation benefits in multicultural environment

Marija Kokelj

INCO International

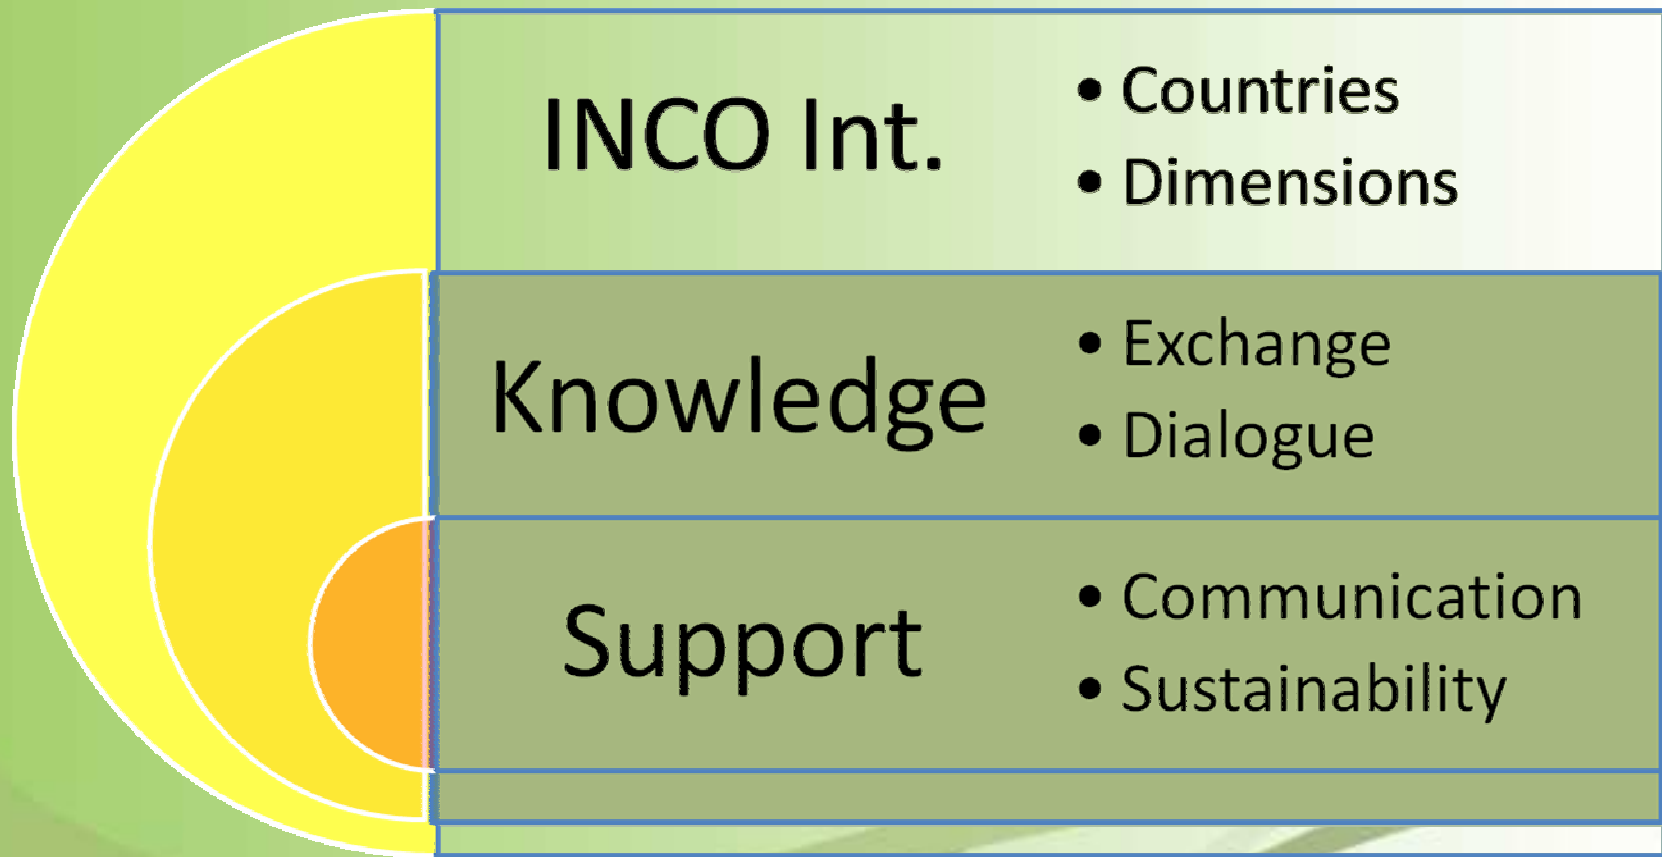

- Challenging learning environment
- Developed tools, approaches, strategies, models, achievements and best practises that work
- Experiences, knowledge and a lot to show
- Further steps in Slovenia and abroad

Multicultural aspects

Pitea
Branding

Ways to achieve goals

Living INCO movement made significant changes in many environments

Many lessons

- Out of conventional approaches
- Create synergy
- Breakthrough (people, places, environment)

Pitea
BRANDING

INCO goes Worldwide

- Knowledge for the future
- Wisdom of a new space
- Global recognition
- Create more effects in a time line with different achievements and new learnings

Pitea
Branding

Next steps

Time is what prevents everything
from happening at once.

~John Archibald Wheeler

With excellency and prosperous energies,
Marija Kokelj
